

Employment through Social Capital

with

Al Condoluci

Presented by:

Connect Employment Services
and
SCE LifeWorks

One of the most important goals for all people is viable opportunity for employment. In spite of our many years of work, we aspire to have better employment outcomes and better ways forward. This presentation takes a close look at the reasons why our systems have not been more successful in these goals, defines and delineates the concept of social capital and offers a community building perspective designed to shift the culture to be more inclusive and supportive.
