

Membership application/renewal 2019-20

It's that time of year to become a member or to renew your membership with SCE Lifeworks for 2019-20.

SCE LifeWorks supports over 280 Manitobans in achieving their personal goals. The jobseekers and others we support deserve the opportunity to work and engage solely within inclusive settings in the community where they are respected and rewarded for their efforts, skills and accomplishments. That is how we choose to support people--that is our commitment. Thank you for considering a commitment of your own—supporting SCE LifeWorks as a member!

Your membership provides us with valuable financial assistance, which enables us to provide quality services and promote community inclusion. Your continued support is a key component of our ongoing success. With your membership, you will be helping us lead the way in supporting adults labeled with developmental disabilities to work and participate in the community.

You can help support SCE LifeWorks. Simply read through the information below and choose the membership which best fits your needs. SCE LifeWorks currently offers three different membership packages:

Individual Membership (\$15) – One member, one vote

Family Membership (\$30) – Up to five members, five votes – This membership covers up to five individuals living in one home. It may also include a person supported through SCE LifeWorks living in a separate residence. Please note that members must be identified at the time the membership is purchased.

Corporate Membership (\$125) – One member, one vote - Corporate members can also receive, upon request, sensitivity training done at the workplace (up to three times per year).
