SCE LifeWorks is a not-for-profit organization supporting adults with intellectual disabilities to work and participate in the community. The services we provide are tailored to the individual and their personal plan for life. Our annual Gala is an opportunity to support and celebrate important community work. As a non-profit organization, we rely on the support of people and organizations. Indeed, SCE LifeWorks is only successful because of the combined efforts of families, business partners, funders, individuals, and the community at large. We hope your business will partner with SCE LifeWorks by providing donated goods, services, or other sponsorship (see opportunities package). Available corporate sponsorship recognition vehicles include website, event program, newsletter, verbal recognition, comp seating, and certificate of appreciation.
