

# Become a Member...

It's that time of year to become a member or to renew your membership with SCE Lifeworks.

At SCE LifeWorks, we support over 165 individuals as they strive to achieve their personal goals. After over 20 years of service we continue to hold firm to the philosophy that all adults deserve the opportunity to live and work in the community where they are respected and rewarded for their efforts, skills and accomplishments.

Your membership provides us with valuable financial assistance, which enables us to provide quality services and promote community inclusion. Your continued support is a key component of our ongoing success. With your membership, you will be helping us lead the way in supporting adults with intellectual disabilities to work and participate in the community.

You can help support SCE LifeWorks. Simply read through the information below and choose the membership which best fits your needs. Currently SCE LifeWorks offers three different membership packages:

**Individual Membership (\$15)** – One member, one vote

**Family Membership (\$30)** – Up to five members, five votes – This membership covers up to five individuals living in one home. It may also include a person supported through SCE LifeWorks living in a separate residence. Please note that members must be identified at the time the membership is purchased.

**Corporate Membership (\$125)** – One member, one vote - Corporate members can also receive, upon request, sensitivity training done at the workplace (up to three times per year).
